DIXON POLICE INVESTIGATE FATAL SHOOTING

On July 21, 2018, at around midnight, officers from the Dixon Police Department responded to the 1000 block of Bello Drive for a report of a shooting. When they arrived, they discovered a large crowd on and around the street, and two male victims lying in the street. Both had been shot, one fatally. The wounded victim was transported for medical care while officers secured the scene and attempted to locate and identify witnesses.

Initial investigation revealed there was a party being held at a private residence on Bello Drive. Attendees at the party were involved in an altercation which escalated into a physical fight in the backyard. This fight culminated when a subject shot a male resident of the house, who was trying to break up the fight, in the leg.

When the gun was fired, attendees scattered and another resident of the house, a 38-year old man, confronted a group believed to be involved in the fight on the Folsom Downs Circle near Baker Alley. This confrontation led to the resident being fatally shot in the street.

The suspects then fled the scene on foot north on Folsom Downs towards Valley Glen Drive.

Deputies from the Solano County Sheriff's Department and officers from the California Highway Patrol responded and assisted Dixon officers in managing the scene. CSI personnel from the Solano Sheriff's Department processed the scene and recovered several pieces of evidence.

Detectives have already developed several persons of interest in the investigation and the investigation is evolving. Anyone with information about this incident is requested to contact Dixon Police at 707-678-7080.
